WORK EXPERIENCE

Founder & Creative AI Lead | The-247 (Jan 2025 – Present)

Leading a research-driven startup focusing on Agentic AI workflows for the creative sector.

Developing custom LoRA models and archival datasets to explore synthetic heritage and counter-bias in generative media.

Head of Visual Design | Palestine Film Institute (2018 – Present)

Cannes 2026: Designed and directed the visual identity and theme for the Palestine Pavilion at the 79th Cannes Film Festival.

Directing visual strategies for international showcases at Berlinale, IDFA, and TIFF, translating cinematic narratives into cohesive institutional branding.

Co-Developer & Principal Investigator | The Infl3ctor Project (2016 – Present)

Co-developed a custom handheld projection mapping device for performative Digital Calligraffiti.

Conducted extensive field research and public interventions in Belgium, Germany, and Palestine, documenting institutional friction in urban spaces.

SELECTED RESEARCH PROJECTS

Algorithmic Agonism (Ongoing): Investigating the role of AI agents as co-authors in decolonial public art.
The Infl3ctor (2016 – Present): Hardware research on Human-Computer Interaction (HCI) and gestural digital calligraphy in public space.

Intervention in Western Monuments (2021): MA thesis research on semiotics and counter-memory in Ghent's historical sites.

Archaeology of Light (2015): EU-funded research residency (I AM Project), Italy. Exploring projection mapping on cultural heritage.

TECHNICAL SKILLS

Generative AI: ComfyUI (Advanced Workflows), LoRA Training, ControlNet, Local SLMs (Ollama).

Audiovisual & Design: Adobe Creative Suite (Expert), After Effects, Premiere Pro, DaVinci Resolve.

Creative Tech: Projection Mapping (Resolume Arena), Hardware development (Infl3ctor), Cinema 4D.

SELECTED EXHIBITIONS & PERFORMANCES

2025: Rooted in Resilience, Viernulvier, Gent, Belgium.

2023: Benefit for Gaza - NTGent, Online Digital Calligraffiti intervention.

2024-2025: Narrative Storytelling: Author and illustrator of "Not Numbers" and "DAL-L 2948" (Comics)

2015: Calligraffiti Ambassador of Palestine; Mediterranea 17 Young Artists Biennale, Milan, Italy.

EDUCATION

MA in Autonomous Design – KASK & Conservatorium, Ghent, Belgium (2021).

Thesis: *"Which artistic strategies can Digital Calligraffiti use to add new contents and forms to historical western monuments, symbols, and icons."*

BA in Interior Design – An-Najah National University, Palestine (2004)

General Secondary Education (Tawjihi) – Scientific Stream – Bethlehem, Palestine (1999)
